

Topped up weekend

Top up your credit on Friday and make calls during the whole weekend in Tesco mobile for free.

Just top up your credit on Friday from 00:00:01 to 23:59:59 through any top up channel. Free calls to Tesco mobile participant numbers are activated immediately after the credit top up and are valid as of the delivery of the confirmation SMS until next Sunday 23:59:59.

weekend

To protect against misuse of the service, free calls are not activated if the sum of the standard and bonus credit on the SIM card exceeds €30 at the time of credit top up.

How to activate the SIM card

SIM card activation at the Tesco shops:

- at the Tesco mobile point of sale or at the Customer Service Centre
- in supermarkets and expresses at the cash register.

You can find the map of shops on www.tescomobile.sk in the Activation and number porting.

SIM card activation from home:

- the easiest and fastest way to activate the SIM card through www.tescomobile.sk/aktivacia

Consumption check:

- Credit balance and validity may be easily checked by sending a free SMS in the form of SPOTREBA (CONSUMPTION) to the number 99222.

Number porting

Use your current telephone number within the Tesco mobile network – you can port your number to us easily and for free! Apply for number porting:

- at a Tesco shop - at the Customer Service Centre or at a Tesco mobile point of sale
- from home – by sending an SMS (the instructions on how to do it are available on www.tescomobile.sk in the Activation and number porting part).

According to research by Ipsos CSI from February 2020

Credit top up

Credit top up is possible at any cash register in the Tesco shops in the values of €5, €10, and €15.

The standard credit topped up in any amount and in any way is valid for 12 months as of the top up.

Other credit top up options:

- through the internet at www.tescomobile.sk (from €6),
- through ATMs by selecting O2 top up (from €8),
- at Tipos points of sale (from €6).

Credit top up from Clubcard

Utilise your coupons in the Tesco Clubcard mobile application to top up your credit on your Tesco mobile Bodka SIM card and we will award you with a credit that is the double of the coupon value.

It is easy.

1. Install the Tesco Clubcard application.
You can find the instructions at <https://tesco.sk/clubcard/mobilna-aplikacia/>
2. Log in to the application and select the coupon you want to use for credit top up.
3. Enter the telephone numbers and press the "Credit top up" button.
4. You will receive an SMS promptly on the increase of your credit!

You can find detailed instructions on www.tescomobile.sk

New

Internet for a month

Choose from a range of Internet packages and browse for a whole month. You can transfer what you don't use to the next month.

500 MB
3€ per month

1500 MB
6€ per month

3000 MB
9€ per month

To activate send a free SMS with the text **INET500 A** to **99222**

To activate send a free SMS with the text **INET1500 A** to **99222**

To activate send a free SMS with the text **INET3000 A** to **99222**

The package includes the **Automatic Increase** service using which you can transfer the unused data to the next month. If you use the data earlier, your package will be automatically recharged for just €3 with an additional 500MB of data in the case of the cheapest package or 1GB in the case of the other two packages. You can deactivate the automatic increase by sending a free SMS with the text NAVYSOVAT D to 99222.

Internet for a Day

Choose the data plan that suits your needs.

300 MB
for € 0,50
per day

1 GB
for € 1
per day

With **Internet for a Day** service you can surf on your phone whenever you need to, without having to activate it. The default data volume is 300 MB for €0.50. You can change it to 1GB per day for €1 at any time by texting 1GB to 99222. If you want to go back to 300MB per day for € 0.50, send 300MB to 99222. Changes always apply from the following days renewal of data. Your data volume is available from connecting to the internet until midnight

With the **Automatic Renewal of Internet for a Day**, when your prepaid volume is exhausted, your data will automatically be restored and you will receive an additional 300 MB for € 0.50 or 1 GB for € 1 to the end of the day, depending on what daily data volume you have chosen)
